

Flexible Solutions for your energy problems!!

Audit tools:

- Power Quality Analyzer
- Power Logger
- Lux Meter
- Flue Gas Analyzer
- Thermal Imager
- Infra Red Gun
- Digital vane Probe Anemometer
- Digital Hygrometer
- Tachometer
- Ultrasonic Flow Meter for Liquids
- Belt Tension Meter
- pH/Conductivity Meter with TDS
- Pitot Tube
- Fluke 922/Kit Airflow Meter

Collaborative Partners:

Green Productivity Center National Productivity Organization is ready to serve you!!

Do you find difficulty in searching Energy Efficiency services?

Do you want to cut off your electricity bills?

is the liaison office of Asian Productivity Organization represents 20 member countries, intends to enhance quality & productivity in the region. NPO has established “Green Productivity Center” to optimize the resource efficiency, building capacity of stakeholders and further continuing replication of the best practices in all economic sectors of Pakistan.
